

Maintain one-way flow

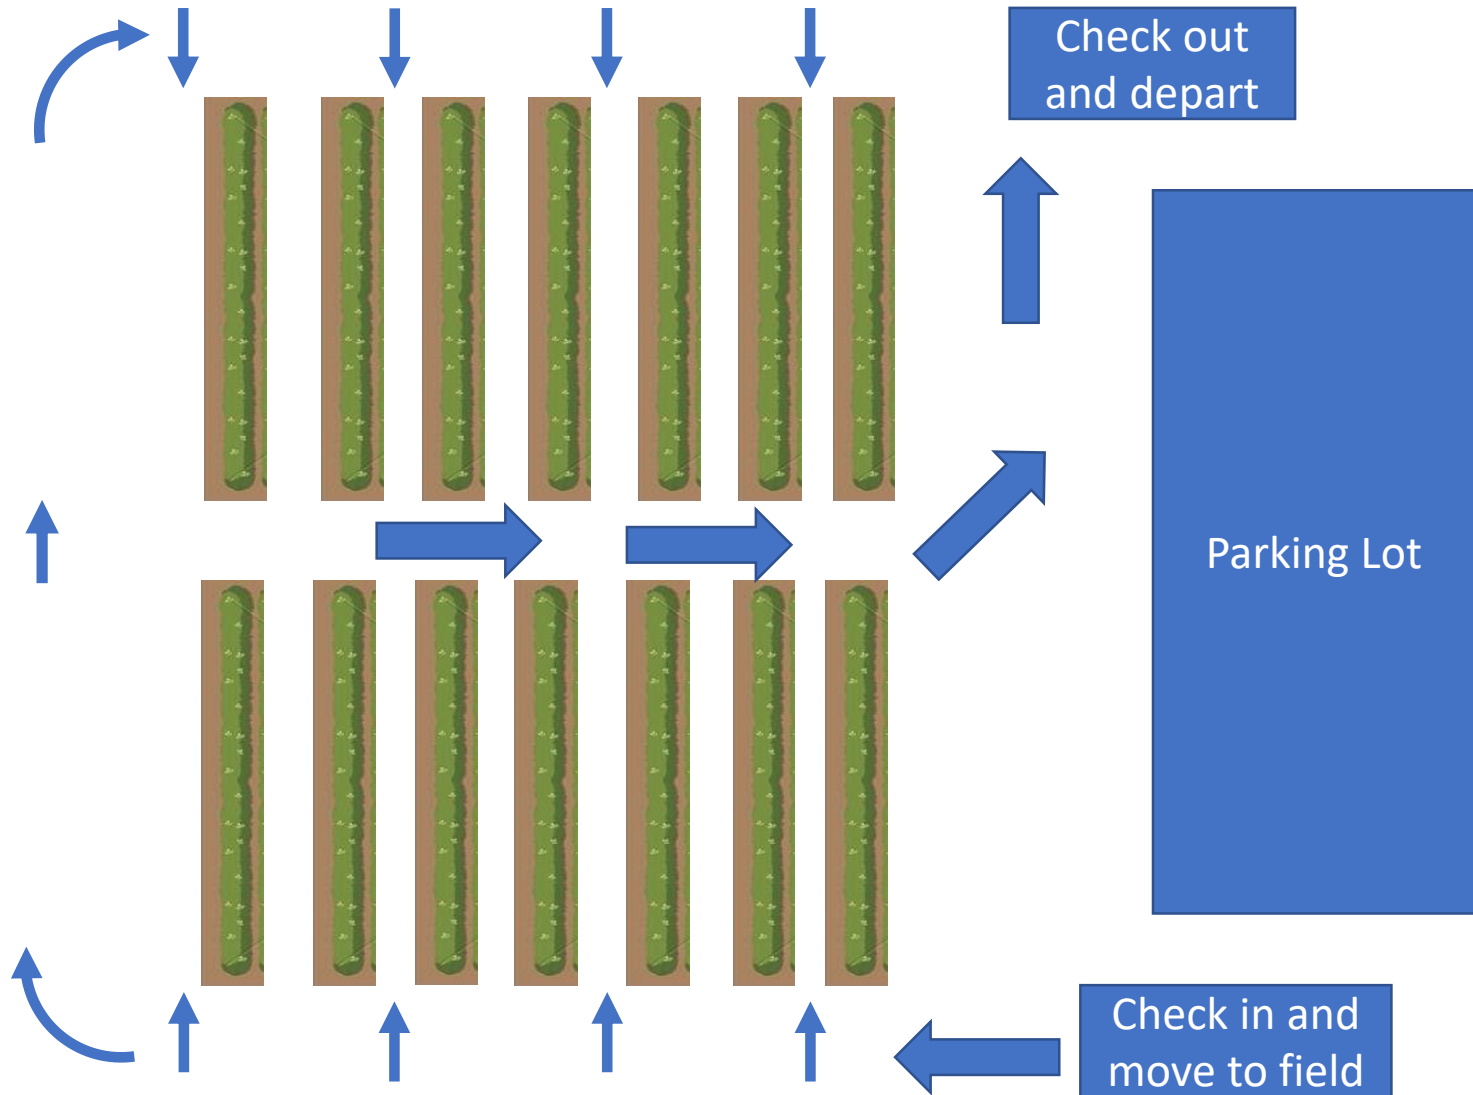

**Strawberries and vegetables
without a trellis**

Customers

- Assigned to every other row
- Pick both sides
- Pick area cleanly
- Leave a flag where they end
- Next customer starts at the flag
- Alternate rows every other day

Staff

- Number all rows
- Monitor for physical distancing
- Remove flags at end of day
- Sanitize flags for reuse

Maintain one-way flow

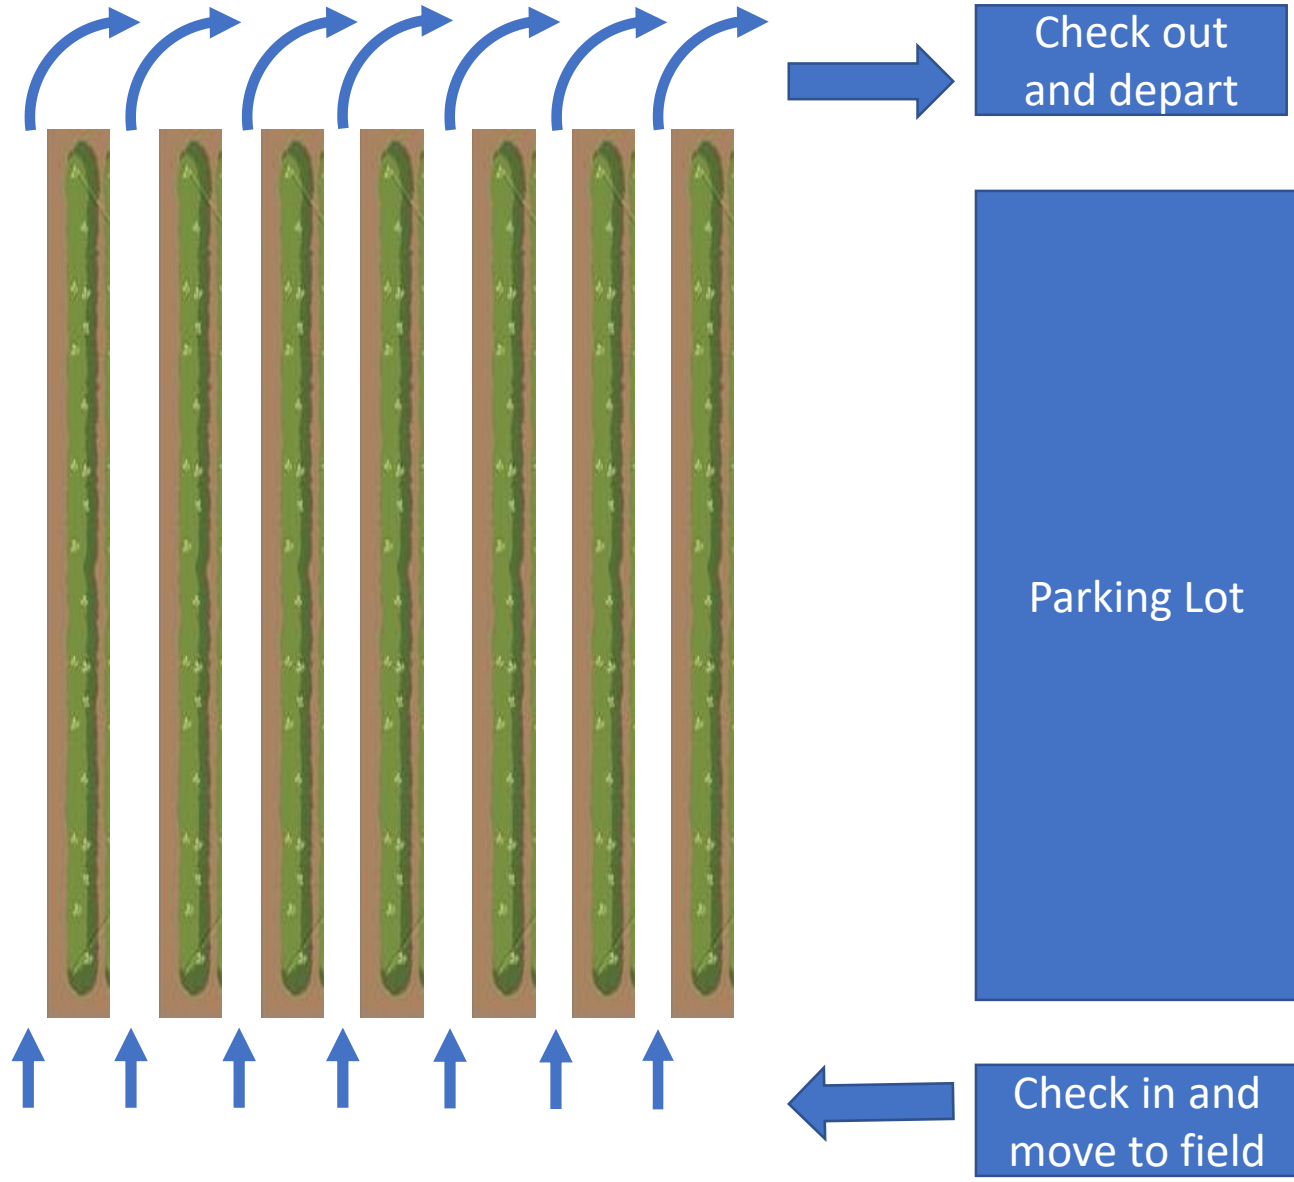

Strawberries and low vegetables without a trellis

Customers

- Assigned to every other row
- Pick both sides
- Pick area cleanly
- Leave a flag where they end
- Next customer starts at the flag
- Alternate rows every other day

Staff

- Number all rows
- Monitor for physical distancing
- Remove flags at end of day
- Sanitize flags for reuse

Maintain one-way flow

Bushes, trees and trellised vegetables

Customers

- Assigned to every row
- Pick only one side of row
- Pick area cleanly
- Leave a flag where they end
- Next customer starts at the flag
- Alternate rows every other day

Staff

- Number all rows
- Monitor for physical distancing
- Remove flags at end of day
- Sanitize flags for reuse
